

# Defogster®

Your Home Improvement Specialist

**Patent Pending**

## ■ FOG-FREE TV SCREEN

Screens specially developed to conceal bathroom TV s from moisture. The screens are electrically heated to overcome the fogging problem during hot baths.

## ■ Mirror Defogster

Mirror **Defogster** is designed to prevent mist formation on the mirror surface by warming the mirror electrically. The thermal elements are concealed behind the mirror and thus are not visible.

## ■ Underfloor Heating

Underfloor heating system combines the highest comfort with a maximum energy efficiency.
